Commercial Plot in the Heart of Lakatamia

€289,000

Lakatameia, Nicosia

Area

614 m²

Type	**Building Plot**

A rare investment opportunity in the rapidly developing and busy area of Ano Lakatamia, with direct access to the main avenue Archbishop Makarios III (E902).

The plot is ideal for the development of shops, offices, clinics, or mixed-use buildings, with commercial space on the ground floor and residential units above.

Its strategic location, accessibility, and development potential make it an excellent option for immediate use or long-term investment.
