#2160

Residential Plot in Strovolos

€265,000

Strovolos, Nicosia

Area

540 m²

This 540m² corner building plot is located in the peaceful neighborhood of Agios Vasileios, Strovolos, Nicosia. Positioned just off Constantinoupoleos street, the property enjoys a quiet yet convenient location near major amenities and schools. It falls entirely within the residential Planning Zone Κα6, offering 90% building density, 50% coverage, and allowance for two floors (10m height). The shape and location of the plot make it an excellent choice for a family home or investment development. Title deed is available.
