#2790

# Beautiful Residential Plot in Strovolos (Green Dot Area)

**€219,000** +VAT

Strovolos, Nicosia

Area

**554 m²**

Type **Building Plot**

If you are looking for the perfect spot to build a family home, this is it. This plot is located in a quiet, high-quality neighborhood in Strovolos.

Why this plot stands out:

Right next to a park: One side of the plot touches a public green area, so you will always have extra privacy and a nice view.

Extra wide front: The plot has a very long street side (frontage), giving you plenty of space for a big garage, a nice entrance, or even two houses.

Perfect for families: It's a safe, peaceful area close to everything you
